TERMS & CONDITIONS

7. Rebate Payment:

- a) FMC reserves the right to audit all sales of FMC products by the distributor / retailer to growers to confirm the accuracy of the sales and to adjust, if necessary, any affected rebates retroactively.
- b) Growers will receive these offers as an after-season rebate based on data submitted by their retailer.
- c) Matching acres will be calculated as described in Appendix B and C.

8. Rebate Pricing: Rebates will be calculated based on 2024 Suggested Retail Price. FMC reserves the right to change suggested retail price at any time during the season in its sole discretion which may impact the growers' rebates within the Offer.

9. Overpayment: Any program overpayment will be refunded to FMC by the customer or will be deducted from future program payments at the election and discretion of FMC.

10. Program Discrepancies: Any claims for discrepancies in program payments must be received in writing by FMC by January 31, 2025.

11. Grower Usage: In order to qualify for the above rebates, eligible products must be used by the same grower who purchased them, on a single farming operation.

12. Retailer Qualifications: All herbicide purchases must be made from an authorized crop protection retailer with CropLife Phase III facilities.

13. Product Returns: Growers will not receive rebates for products that are returned for any reason. It is the sole responsibility of the Grower to advise FMC if a return has occurred after the issuance of the Growers' rebate cheque. Failure to do so, constitutes fraud and renders the program rebate null and void and potentially could be subject to legal action.

14. Additional Programming: Participating growers may be eligible for additional FMC or FMC programs or rebates. See Terms and Conditions of any other programs for program eligibility.

15. Information and Data Usage: Via pre-enrollment as indicated in section 3 or by enrolling in the 2024 Offer, the grower acknowledges that their retailer(s) will submit purchase information, which may include personally identifiable information such as contact information and all necessary purchase data from the Grower and the Retailer, on their behalf to FMC and authorizes FMC, their affiliates and any third parties designated by FMC to use such information provided for the following purposes:

- f.
