

Powered by AOA Technology

Pixel AOA is an advanced plant nutrition solution powered by Actagro Organic Acid Technology, loaded with Triple Power Formula. The source of organic acid in Pixel makes it a unique plant nutrition solution by improving natural nutrient uptake capacity of the plant as well as soil. Pixel AOA is based on unique recipe which is an outcome of globally acclaimed AOA manufacturing technology providing innovative formulation with 4 components of High Load Nutrition.

**Smart features and benefits of Pixel AOA:**

1. Pixel AOA triggers the nutrient mobility and uptake by enhancing cation exchange capacity in the soil.
2. Pixel AOA acts as a soil conditioner as it reduces the hardness of the soil and acts as a pH regulator.
3. Pixel AOA improves Soil porosity and enhances water holding capacity of the soil.
4. Pixel AOA acts as a good food source to the soil beneficial microorganisms and enhances their movement in the rhizosphere.
5. Pixel AOA enables the plants reduce synthetic fertilizer dependence by enhancing phosphate & potassium availability.
6. Pixel AOA enhances the nitrogen usage efficiency and availability even under anaerobic conditions.
7. Pixel AOA helps in protection of soft root hairs from damages due to excessive salt in the soil.
8. Pixel AOA helps withstand stresses caused by cold (frost), heat and drought as well as post transplant stress.
9. Pixel AOA being Organic Acid based product stabilizes the Carbon & improves overall chemistry of rhizosphere.
10. Pixel AOA can increase yields and improve quality thereby increases the return on investment.

**Directions for Use:**

Pixel AOA is recommended for soil application, seed treatment & foliar application in nursery, field crops, horticulture, ornamental and plantations.

Pixel AOA can be applied at 4-8Lit./Acre in soil Application & 1-2Lit./ Acre in Foliar application.

Pixel AOA is suitably designed for drip application also at 2-4Lit./Acre.

Repeat application may provide more beneficial results.

Pixel AOA if blended with irrigation water should be used immediately and not stored for prolonged periods.

Pixel AOA is compatible with majority of agri inputs except Calcium based fertilizers.

Please contact Local FMC representative for compatibility and crop specific dosages.

Shake well before use. Do not expose the product to direct sunlight or heat.

For agriculture use only. Keep out of reach of children. Harmful if swallowed. Avoid contact with skin, eyes or clothing.
