

Potato Micronutrient Complex™

A foliar source of plant available nutrients essential for potatoes

CONTAINS

| | |
|------------------|---------|
| Nitrogen (N): | 160 g/l |
| Calcium (CaO): | 60 g/l |
| Magnesium (MgO): | 60 g/l |

RATES OF USE

Apply 5 - 10 l/ha in at least 200 litres of water. Use the higher rate and water volumes on crops with a greater leaf canopy.

TIMING

Apply as soon as the crop has enough leaf canopy to absorb the spray and repeat 3 - 4 times over the growing season.

It is recommended that soil and tissue analysis results are used whenever possible to guide micro and macronutrient applications to optimise crop nutrient status.

Do not apply this product in very bright sunlight or in temperatures above 25°C. If possible, spray in the evening or early morning for best results.

APPLICATION

Shake the container well before opening and use.

Spray equipment should be clean.

Half fill the spray tank with water, begin agitation and add the required quantity of Potato Micronutrient Complex.

Rinse the container thoroughly, add the rinsings to the spray-tank, complete the filling and apply without delay.

Maintain agitation throughout.

Clean sprayer thoroughly after use.

COMPATIBILITY

Potato Micronutrient Complex is physically and chemically compatible with a wide range of agrochemical products. Consult your supplier for the latest information. Up-to-date information is available at www.fmc-agro.co.uk. Always read the label of the partner product carefully before mixing with Potato Micronutrient Complex.

STORAGE

Protect from frost. Store above 5°C

Keep in cool, well ventilated suitable store. Do not store in direct sunlight or near direct sources of heat.

Keep out of reach of children. Keep away from food, drink and animal feedingstuffs.

SAFETY PRECAUTIONS

H318: Causes serious eye damage.

Danger

P280: Wear eye protection.

P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

P337+313: If eye irritation persists:

Get medical advice/attention.

Contains: CALCIUM NITRATE

Made in UK

Batch No: See neck of the bottle

Contents: **20 litres**
